

# HEAL10

## A HEALTH TRACKING AND MANAGEMENT PLATFORM

# INTRODUCTION

We, heal10, are proposing to you the idea of a revolutionary and much needed health care platform. This platform will include treatment methods and tips and will give you information from time to time about current health news, viral diseases and much more. This presentation will outline the key features and benefits of our platform.

# CURRENT CHALLENGES

Our generation is now facing challenges on how to manage our health and avoid viral diseases. We are not fully aware of the new disease as in the case of Covid 19, if we had known how dangerous it could be, we could have prevented it from becoming a pandemic. Therefore, we are proposing you the idea of heal10.

## PROPOSED SOLUTION : HEAL10

Heal10 is the solution to these challenges.

Heal10 provides you with a friendly platform that can keep track of your health and tell you how to take care. It also informs you about health news and how we can manage our health with the help of yoga and some basic techniques that we can include in our daily routine so that we can prevent ourselves from getting sick.

# WEBSITE FEATURES

The proposed website will include features such as general Health tracking, daily health regarding news and the precautions, yoga related articles that can be a part of our life, helps the people to create awareness in the society about the health. These features are designed to enhance overall the healthcare management.
